Ticket Appeal Information and Instructions

You must sign the reverse side of your appeal form stating you have received this information

- Please allow 3-5 days from the date you turn in your appeal before calling the campus police office at 281.476.1820. Campus police will not call you to inform you of the outcome.
- You may only appeal a ticket within 10 school days from the date the ticket was issued.
- Campus police will forward your appeal to the dean of student development; this office reviews ticket appeals and makes all appeal decisions, not the campus police office or any employees of the campus police.
 - A dismissed ticket is voided completely.
 - A **probated** ticket is voided until the student receives another ticket for the same offense. (Ex: Parking in staff charge of \$15 is probated and the student receives another ticket for parking in staff; a second offense of \$30, – the first ticket is reinstated and the student now owes a balance of \$45.)
 - A denied ticket is upheld and the student is responsible for the full amount listed.
- Only school days are factored when figuring late fees. You are still responsible for any late fees accrued, even while waiting for an appeal. You may pay a ticket, and then appeal it – your account with the college would be credited the amount you paid for a probated or dismissed ticket.
- Probates are cleared every Fall semester: If you receive a ticket the first day of the Fall semester, it will be treated as your first violation, even if you received a ticket the previous Summer or Spring semesters.
- Some appeals may result in one violation of a ticket probated while another violation of the same ticket may be dismissed or denied. (Ex: It is possible that a “no permit” offense will be probated while a “parked in staff” offense will be denied.)
- Campus police does not accept any payments or handle any transactions. You may pay in person at the business office or online at www.sanjac.edu, after logging into your SOS account.
