#### PHARMACY TECHNICIAN PROGRAM

Dear Applicant,

Thank you for your interest in the Pharmacy Technician Program at San Jacinto College South. To give you an overview of what our program can offer you in just nine months, please see below:

- Certificate of Technology – Upon completion of our program, you receive a certification that is accredited by the American Society of Health-System Pharmacists (ASHP).
- I.V. Certification – Students have the opportunity to become I.V. certified, which enables you to prepare sterile products in any pharmacy setting.
- Experience – Students practice and gain experience in retail and hospital settings.
- Pharmacy Technician Certification Exam (PTCE) – Upon completion of the program, students gain the knowledge and skills to pass the national exam.

We accept student applications between January 1<sup>st</sup> thru July 31<sup>st</sup> for **Fall** entrance and August 1<sup>st</sup> thru December 31<sup>st</sup> for **Spring** entrance. Applications can be filled out online and printed to be submitted by fax or mailed to the Pharmacy Technician Program by the Fall or Spring entrance deadline.

To better assist you with completing the application process, you may find an Easy Step-by-Step flyer that will guide you through the application process, a program application, and additional information about our program online at [www.sjcd.edu/PharmacyTech](http://www.sjcd.edu/PharmacyTech). For further information regarding scheduled information sessions, please visit our website homepage events calendar or contact our office.

Once the July 31<sup>st</sup> or December 31<sup>st</sup> deadline for applications has passed, all completed files will be reviewed and processed. At this time a closing interview will be scheduled for the top 24 applicants.

We know how important this decision is for you, and I or my staff would be happy to talk with you about how nine months in the Pharmacy Technician program can change your life! We are confident that our program will prepare you for a successful career in pharmacy. We look forward to having you as a student in our program. If you have any questions please call me at **(281) 929-4613**.

Sincerely,
